Each sorority may have three (3) extra hostesses besides the registered members of the group, whose University fees are paid or enough extra hostesses to equal a total of 15 hostesses for the parties, excluding the chaperon. These extra hostesses may include alumnae, National fraternity officers, and patronesses. The extra hostesses attending each party must be registered in the Dean of Women's office by the sorority on the first day of rush. Any changes should be reported at once.

9.

Rushees are not to be called for by the sororities before parties. The address of the sorority is enclosed with the invitation to the rushee.

10.

Cars may be used for errands by the sorority. All car permits must be obtained through the Dean of Women's Office before used for rushing. The maximum number of cars to be used by each group will be eight (8). Rush car permits will expire Saturday, Sept. 12. It is suggested that one girl of each group obtain the approval for the 8 cars. A sticker must be put on each car.

11.

The services of men are not to be enlisted in any way for rushing purposes. No sorority girl shall arrange for a date for any

rushee or any new student from the time she arrives in Bloomington until after the lists have been returned to the sororities by the Dean of Women.

12.

The system of closed bidding has been adopted. Each sorority sends to the home of the Dean of Women an alphabetical list with a carbon copy of girls it wishes to pledge and the rush expense list. These lists must be turned in at 9:15 p.m. Thursday, Sept. 10. The alphabetical list must be O.K.'d by the Assistant Dean of Women for correct names, addresses, and telephone numbers of rushees. Use no nick names.

VERY IMPORTANT FOR RUSHEES TO READ: On Thursday, Sept. 10, at 8:15 p.m., each rushee shall call at Business Administration auditorium and fill out her preference card and the blue acceptance card and file them with the Dean of Women. No cards will be given out later than 8:20 p.m. All cards must be signed by 9:15 p.m. Rushees must go to Business Administration hall unaccompanied by any sorority members or men. Fifty cents (50¢) must be paid by each rushee before preference cards are given out.

IMPORTANT: Sororities will be notified when lists may be called for at the home of the Dean of Women probably between 7:45 and 8:15 a.m. Friday, Sept. 11. Rushees must call at the East Parlors of the Stu-

dent Building on Friday morning, Sept. 11, between 8:30 and 9:30 a.m. to sign their blue acceptance cards.

Business managers of all sorority houses who wish to move girls from temporary rooms to their houses or from dormitories to their houses are to meet members of the housing committee in the A.W.S. room in the Student Building between 8:30 and 10:30 a.m. on Friday, Sept. 11. These two lists brought to the housing committee shall be arranged alphabetically giving names on sheets provided by the Dean of Women.

VERY IMPORTANT: All university women in temporary rooms who are not pledging at this time and who wish to have permanent rooms are to report to the housing committee in the A.W.S. room in the Student Building between 8:30 and 10:30 a.m. on Sept. 11.

All changes of addresses are to be approved by the Dean of Women at this time.

13.

The attention of rushees is called to the fact that roll will be taken at all required meetings Friday and Saturday, Sept. 11 and 12.

14.

All pledge services are to be held on Sunday evening, Sept. 13, at 5:30 p.m.

15

There shall be no secret bidding or spiking. Secret bidding constitutes intimating

in any way to a girl before she signs her preference card that a bid may be given to her. Any contrary act will be a violation of rule No. 12 (for one semester).

16.

The preference given to the Dean of Women by rushees and sororities is final. When a girl receives a bid under the preferential system the signing of the preference slip shall be binding to the extent that she shall be considered ineligible for one calendar year for a bid from any fraternity other than the one from which she has received the bid, in accordance with the correct functioning of the preferential system. If she signs a pledge card she is ineligible here or elsewhere, to accept a bid from any other sorority until one calendar year has elapsed.

17.

Two written pledge cards shall be signed immediately, that is, before pledges are announced publicly. One of these pledge cards must be filed in the Dean of Women's Office within three days. No girl who has broken a pledge to one fraternity may be asked to join another fraternity at any college for one calendar year, according to the National Panhellenic Congress regulations.

18.

There will be open rush for the remainder of the year beginning 9:30 a.m. on Sept. 11, except for houses whose quota is filled.

19.

All women students must pay University fees before participating in rush. Fees are not returned if there is a withdrawal from the University before six weeks of the new semester have elapsed, unless a statement from the University physician is presented.

20.

The expenses of living in a sorority house varies from \$30 to \$50 per month. This amount includes room, board, and also sorority house fees. This does not include pledge fees and initiation fees which together vary from \$35 to \$100. See page 31.

21.

\$100 is the limit of the sum of money which any group may spend on rushing during rush week. This amount of money includes everything pertaining to rushing with the exception of transportation and meals.

A list of rushing expenses shall be kept by each group and handed into the Dean of Women with the alphabetical lists and carbon copy of the girls it wishes to pledge. This expense account will be given by the Dean of Women to the President of Panhellenic who will present it to the Executive Board of Panhellenic.

22.

A copy of the rush rules must be posted in a public place and in each sorority house

and on four bulletin boards on the campus.

23.

No student cars may be parked in front of the Business Administration building Thursday night, Sept. 10, at the request of the Campus Police.

24.

Special two-year students may be rushed, if there is no conflict in organization rulings.

25.

Resolved: That the maximum number of girls to belong to any sorority that is a

member of Panhellenic at Indiana University during the school year shall be fifty (50), exclusive of girls with established Bloomington residence. This rule to take effect Rush Week, September 1935, and to continue for a period of two years. Should a vacancy occur in the group pledged during the current year by anyone organization which has its quota filled, that chapter may pledge another girl to take the place of the one who has withdrawn.

Whereas, a council shall be established, composed of the president of Panhellenic, having a voice with no vote; the Dean of Women, one vote; one disinterested faculty member, one vote; one business man, one vote; and four representatives of Panhellenic appointed by the president according to house capacity, and approved by the Dean of Women, one vote each.

The representatives as chosen by the president of Panhellenic shall be: One representative from the group of houses having a capacity of 40-46; two representatives from the group of houses having a capacity of 30-39; and one representative from the group of houses having a capacity of 18-29.

The disinterested faculty member shall be chosen by the Dean of Women and the President of Panhellenic subject to the approval of Panhellenic council.

Whereas, the duties of this council shall be:

(a) To meet every day of formal rushing, including Monday, meeting September 7, through Friday, September 11, and to meet at regular monthly intervals. Special meetings may be called whenever necessary.

(b) To consider the effect of the above stated maximum on Panhellenic groups on this campus.

(c) To make special provisions for groups, upon their petition, which find it impossible to meet running expenses as a result of this stated maximum. At such meeting for recommendations, one alumna member of the petitioning group shall sit with the council, but have no vote.

(d) To make recommendations to Panhellenic for the revision of this system at the expiration of the trial period, two years.

ETHICAL CODE FOR FRESHMEN

A sorority is a group of University women varying in number who have elected to establish a close affiliation during their University life as students and later as alumnae. Each sorority has a house in which as many members as wish live. They are under the direction of a mature chaperon. The sorority is a self-governing body that maintains high ideals in scholarship and social custom for its members. It is not compulsory that one join a sorority.

The procedure of securing new members is termed rushing—and the sororities en-

tertain frequently with breakfasts, lunches, teas, dinners, or other parties in an effort to become better acquainted. Fall or formal rushing includes only the rushing before school is opened, Sept. 8-10. However, there are informal rushing parties during the remainder of the college year.

IMPORTANT: These parties given by the sororities during the year are given in an effort to become better acquainted with you **SHOULD YOU DESIRE TO ORGANIZE, OR BECOME A MEMBER OF ONE OF THEM. BUT IF YOU HAVE NO INTENTIONS OF BECOMING A MEMBER OF ANY GROUP, IT IS CONSIDERED UNETHICAL TO ACCEPT HOSPITALITY AT ALL.** It is all right to go to a house and meet the girls to see if it is the group with which you wish to affiliate. **TO ACCEPT THE FOURTH INVITATION ISSUED BY A GROUP SIGNIFIES AN INTEREST IN THAT SORORITY,** though it is not binding. Whether you receive a bid, which is an invitation to become a member of that group, depends upon the sorority. After a bid is accepted it is binding and subject to Article VIII, Section 2 of the Constitution and By-laws of the Panhellenic Council.

Two members from every sorority on the campus compose what is known as a Panhellenic Association which is the governing body for problems of common interest among sorority women.

NOTICE: CONTRACTS FOR ROOM
SIGNED AT THE DORMITORY ARE
BINDING FOR ONE SCHOOL YEAR.
CONTRACTS FOR ROOMS IN AP-
PROVED HOUSES OUT IN TOWN ARE
BINDING FOR ONLY ONE SEMESTER.
IF YOU EXPECT TO LIVE IN A SOROR-
ITY HOUSE THE SECOND SEMESTER,
BE SURE YOU DO NOT RENT A ROOM
FOR MORE THAN ONE SEMESTER.

The Panhellenic Creed

"We, the fraternity members, stand for good scholarship, for the guardians of good health, for the whole hearted co-operation with our college's ideals of student life, for the maintenance of fine social standards and the serving to the best of our ability, our college community. Good college citizenship as a preparation for good citizenship in the larger world of alumnae days is the ideal that shall guide our chapter activities.

"We, the fraternity women of America, stand for preparation for service through character building inspired in the close contact and deep friendship of fraternity life. To us fraternity life is not the enjoyment of special privileges but an opportunity to prepare for wide and wise human service."
