3.

Love can never-more grow old,
 Locks may lose their brown and gold;
 Cheeks may fade and hollow grow;
 But the hearts that love, will know
 Never, never winter's frost and chill;
 Summer warmth is in them still,
 Never winter's frost and chill,
 Summer warmth is in them still.

Chorus.

4.

Love is always young and fair, -
 What to us is silver hair,
 Faded cheeks or steps grown slow,
 To the hearts that beat below?
 Since I kissed you, mine alone, alone,
 You have never older grown,
 Since I kissed you, mine alone,
 You have never older grown.
