Dear Debbie:

I was delighted to hear from you, and also to hear from your mother about your almost unbelievable activities within and without the college.

I was also very happy to hear of your marriage. Heartiest congratulations to you and to Fred.

I am sorry that Donald Chapman will not again be in the vicinity of Chicago before he leaves for Europe. He passed through Chicago a few weeks ago, and saw a number of trade unionists and others, and then went to the Pacific Coast. He is returning to New York through the South. If he had planned to stop in Chicago, I am sure that he would have been pleased to speak before the Politics Club. If any other lecturers we know go through the Windy City, I shall certainly notify you. Keep in touch with us.

With warm regards,

Sincerely,

Executive Director
